

eBay Motors University

eBay Motors is once again bringing their training programs on the road, and we hope you will be able to join us in a town near you. eBay Motors University is a full day of training designed to teach dealerships how to best succeed on eBay Motors. The classes are built to accommodate new and experienced eBay Sellers. Anybody looking to help elevate their presence on eBay Motors should attend this class.

Here is a look at the workshops we will be conducting:

- Learn how to leverage eBay Motors to help grow your business.
- Avoid wholesaling and make money selling trade-in vehicles on eBay Motors.
- Learn how to sell everyday vehicles across town or across the country.
- Make your eBay Store more visible on eBay, Yahoo! and Google searches.
- Learn how to protect your account.

Admission to these events is FREE and lunch will be provided.

Dedicated Dealer Support

With eBay Motors, you're never in it alone. No matter what question you may have – from getting started to day-to-day issues – our Dedicated Dealer Support team is just a phone call away. In addition, Top Sellers and Local Market users will have access to their very own Account Managers, who can help customize a selling strategy best suited for their dealerships' needs.
